FW

FEARGAL WALSH

IT'S PRONOUNCED 'FUR' - 'GULL'
REACT DEVELOPER | FEARGALWALSH@ICLOUD.COM

EXPERIENCE

FRONT END DEVELOPER • OBO INC • NOV 2018-PRESENT
https://www.obo.pm

- Implemented features handed off from designers using react 16, redux, SASS and immutable.js.

- Collaborated with fellow engineers to reduce ticket reopening by using ngrok to tunnel into localhost for faster verification.

- Rapidly acclimatized to a vast legacy code base, committing from day one.

LEAD MOBILE DEVELOPER• ZONDER STUDIOS • JAN 2018-NOV 2018

https://tinyurl.com/ybvnuwaq   https://tinyurl.com/yc9dyxeq

- Developed app in React Native, utilizing the Context API and Redux for state management from a wireframe to the iOS and Android App stores in under three months.

- Implemented type safety using Flow, decreasing crashes by 90%.

- Integrated the react-native-maps API extensively to show the user places near them where they can earn rewards.

FREELANCE WEB AND MOBILE DEVELOPER • VARIOUS CLIENTS • FEB 2017- PRESENT

- https://getroute.com/, built mobile app (React Native, Redux, Typescript).

- http://mcvandevelopment.com/ , built static site (JS, HTML, CSS, Netlify, Jekyll, Bootstrap).

EDUCATION

MSC COMPUTER SCIENCE • JAN 2017 • LOYOLA UNIVERSITY CHICAGO

- **Relevant coursework:** Machine Learning (Python, Scikit Learn), Functional Programming (Scala), Mobile Development (JavaScript, Cordova), Object oriented programming (Java).
